

## SK-24-Z-FCA / SK-24-Z-FCA-SET

The splice tray ensures the protection of the fibre splices and the correct alignment of the fibres.

Splice tray SK-24-Z-FCA-SET

### features :

- capacity of up to 24 thermal splices or 12 Fibrlock mechanical splices,
- has hinges and a latch to prevent accidental opening of the tray,
- movable wings adapt to different diameters of weld casings,
- optical coupler can be mounted in Mini Box,
- identification of the weld number by the digits embossed next to the weld holder,
- possibility of stacking trays on top of each other,
- compatible with tray without hinges SK-24-FCA,
- has a transparent cover to protect against mechanical damage to the fibres and to allow an inside view of the weld pool without removing the cover.

### sectors :

### technical specification :

SK-24-Z-FCA	
dimensions (W. × H. × D.) [mm]	110 x 150 x 13,5
capacity	up to 24 thermal splices up to 12 mechanical splices
material	ABS flame-retardant UL 94-V0, white
cover material	PET, transparent
weight [g]	35

### ordering :

code	description
SK-24-Z-FCA	Splice tray, up to 24 splices, white
SK-24-Z-FCA-SET	Splice tray with hinge, up to 24 splices, transparent cover, white
