

## PSP-P series

PSP-P series telecommunication optical distribution frame dedicated for installation in 19" and 21" cabinets or racks.

Opened PSP-P-G21-2U-48 ODF

Closed PSP-P-G21-3U-144 ODF

### features:

- product designed for installation in 19" and 21" cabinets or racks (with reducers) including SPS,
- capacity from 12 to 144 switching panels,
- fully extendable drawer on rails,
- space for cable tubes and pigtails spare to storage up to 1.5m length,
- equipped with fiber splice cassettes and mounting kit (acc. to configuration),
- perforated holes and handles for better organizing patchcords with cable ties,
- smooth and easy adjustment of the mounting depth,
- replaceable front panels closed by snap pins,
- patch panel with permanent numbering,
- the path switching operation does not disturb the adjacent paths.

### equipment:

- fiber splice cassettes SK-24-FCA or SK-24-Z-FCA (acc. to configuration),
- cable ties,
- mounting kit.

### options ordered separately:

- adapters (SC/E2000 simplex, SC/LC duplex, LC quad),
- pigtails,
- splice sleeves,
- Opti PP patchcord guide.

### standards and certificates:

- flammability class V0 acc. UL94,
- PN-EN 60529:2003,
- PN-EN 50102:2001,
- ITU-T L.202:2010.

### sectors:

## PSP-P series

### technical specifications:

PSP-P	PSP-P 1U	PSP-P 2U	PSP-P 3U
dimensions [width x height x length][mm]	483 x 44 x 210/280	483 x 88 x 210/280	483 x 132 x 210
rack height [U]	1	2	3
number of adapters	12-24	48-72	96-144
type of fiber splice cassette with cover	SK-24-FCA-SET lub SK-24-Z-FCA-SET		
number of fiber splice cassettes	acc. to configuration: a) xK9 (where "x" is a number) b) xK9Z (where "x" is a number)		
max. number of fiber splice cassettes	2	5	10
recommended length of pigtails [m]	2-2,5		
weight [kg]*	3	4,1	5
material	powder painted steel, color grey RAL7035		

\* weight without additional equipment

### examples:

code	description
PSP-P-G21-1U-24-24LCAD-CO-48D-CO-2K9Z-P	Pre-terminated FO patch panel PSP-P-G21-1U, 24 ports SC/E2 simplex, 24x LC/APC duplex, CO, 48 pigtails SM 9/125 G.652D, CO, 48 sleeves, 2 hinged splice cassettes with cover, steel, RAL7035
PSP-P-G21-3U-144-144SCA-L-144DK-L-6K9-P	Pre-terminated FO patch panel PSP-P-G21-3U, 144 ports SC/E2 simplex, 144x SC/APC simplex, STD, 144 col. pigtails SM 9/125 G.652D, STD, 144 sleeves, 6 splice cassettes with cover, steel, RAL7035
