

## PSP-EE series

PSP-EE series telecommunication optical distribution frame dedicated for installation in 19" and 21" cabinets or racks.

PSP-EE-1U-24 ODF

### features:

- product designed for installation in 19" and 21" cabinets or racks (with reducers) including SPS,
- capacity of 24 switching panels: SC simplex/duplex, E2000, LC duplex, LC quad) space for cable tubes and pigtails spare to storage up to 1.5m length,
- perforated holes and handles for better organizing patchcords with cable ties,
- smooth and easy adjustment of the mounting depth,
- cables can be introduced by PG gland,
- replaceable front panels closed by snap pins,
- patch panel with permanent numbering,
- path switching operation does not disturb the adjacent paths.

### equipment:

- fiber splice cassettes SK-24-FCA or SK-24-Z-FCA (acc. to configuration),
- cable ties,
- mounting kit.

### options ordered separately:

- adapters (SC simplex/duplex, E2000, LC duplex/quad),
- pigtails,
- fusion splice protection sleeves,
- reducers for 21" cabinets or racks:
  - a) RED-21-1U (standard spacing),
  - b) RED-21-1U/E (ETSI spacing).

### standards and certificates:

- flammability class V0 acc. UL94
- RoHS 2011/65/UE
- PN-EN 60825-2:2009
- ITU-T L.202 (07/10)
- EN ETS 300119

### sectors:

## PSP-EE series

### technical specifications:

PSP-EE	
dimension [width x height x length][mm]	483 x 44 x 210
rack height [U]	1
max. number of adapters	24 (48 commutations)
type of fiber splice cassette with cover	SK-24-FCA-SET / SK-24-Z-FCA-SET
number of fiber splice cassettes [24J]	1 or 2 (depends on configuration)
weight [kg]*	1,8
material	powder painted steel, colour grey RAL7035 or black RAL9005

\* weight without additional equipment

### examples:

code	description
PSP-EE-G21-1U-24-12SCA-CO-12D-CO-1K9Z-P	PSP-EE-G21-1U-24 patch panel, 12x SC/APC simplex adapters, 12x SC/APC G.652D pigtails, 12 heat shrinks, 12x end caps, 1 fiber splice cassette with cover
PSP-EE-G21-1U-24-24SCA-CO-24D-CO-1K9Z-P	PSP-EE-G21-1U-24 patch panel, 24x SC/APC simplex adapters, 24x SC/APC G.652D pigtails, 24 heat shrinks, 1 fiber splice cassette with cover
PSP-EE-G21-1U-24-SC/E2-1K9Z	PSP-EE-G21-1U-24 patch panel, 1 fiber splice cassette with cover
